Large Group Speech Volunteers Needed!

Postville will be hosting Large Group Speech on Saturday, January 19th. This is Postville's first time hosting and there will be 19 school districts attending. We would like our visitors to have a positive experience!

Volunteers are needed to be room chairs, timers, hallway monitors, post results and to take admission at the door. You can volunteer a half day in the morning or afternoon, or all day if that would work for you.

Volunteer Hours

The purpose of the volunteer program is to provide all high school students the opportunity to have a positive impact on our local community while learning that service to others is an on-going part of life.

Community service is not a graduation requirement, but it can make a big difference when students are applying for admission to college.

Students may earn a Gold Cord to be worn at graduation, which indicates they achieved 100 hours of community services during their 4 years at Postville High School.

Documentation includes a form that includes the exact times and dates of services provided. The supervisor will sign and date the form. You can download the form from the Postville Website.

It is the policy of the Postville Community School District not to discriminate on the basis of race, color, national origin, sex, disability, religion, creed, age (for employment), marital status (for programs), sexual orientation, gender identity and socioeconomic status (for programs), in its educational programs and its employment practices. There is a grievance procedure for processing complaints of discrimination. If you have questions or a grievance related to this policy please contact the district's Equity Coordinator, Brendan Knudtson, 7-12 Principal, P.O.
