## Postville High School Drama Department Presents

### "Stranded!" by Megan Orr

The beauty queen, the grouchy recluse, the energetic grandpa, the dimwitted professional basketball player, the incredibly average Jane, the obnoxious Survival Scout, the presidential candidate who's "Miles Above the Rest," and Nelson Peabody, the "Smartest Ten-Year-Old on the Face of the Planet" - all arrive on a beautiful tropical island only to find out that they've been trapped! In this comedy where *Gilligan's Island* meets *Survivor*, the castaways struggle with hunger, suspicion, fiendish mini-pirates, and a delusional pirate captain. All the while, they are facing their greatest test of survival - surviving one another. You don't want to miss the ending; it's got an unexpected twist that is just waiting to be unwound!
